

We want everybody to feel welcome in Domaine des Bories including people with limited mobility, sight or hearing impairment. This choice of direction is in accordance with the requirements of the Tourism and handicap label, for which we are awaiting an approval.

Moreover we keep 3 houses for people with allergies in which we only accept non smoking families with no pets.

The three specifically adapted disabled friendly rental houses offer different possibilities of accomodation :

- Barn, one bedroom detached house for 2 to 4 people. [Find out more+](#)
- Farmhouse, two bedroom semi-detached house for 5 to 7 people [Find out more+](#)
- Métairie, four bedroom detached house for 8 to 10 people. [Find out more+](#)

As a couple, a family or a group of friends, you will find a comfortable house adapted to your needs to fully enjoy your holiday.
